

Turquoise Bay, Roatan

March 13-20, 2021

As far as Roatan resorts go, Turquoise Bay is the only dive resort in this lush and remote area of the island providing scuba divers and snorkelers with the opportunity to dive and snorkel uncrowded, pristine sites.

The North side of Roatan offers scuba divers and snorkelers the unique

opportunity to experience the largest variety of reef topography on the island. Roatan, in the Bay Islands of Honduras, is surrounded by the world's second largest barrier

reef that is one of the healthiest in the Caribbean due to the Roatan Marine Park and the local dive community encouraging conservative diving practices.

Explore sloping plateaus perfect for spotting macro life, sheer walls with large soft corals and barrel sponges, wreck dives abundant with life, crevices, trenches, overhangs and cavern systems.
