

## St. Lucia

November 5-12, 2022

Diving in the Caribbean has been likened to experiencing an underwater carnival. Exotic creatures abound in these islands, particularly Saint Lucia, which is a dream for scuba divers everywhere. As you're diving in warm Saint Lucian waters, expect to see plenty of exotic fish zooming past, fascinating wrecks, vibrant coral reefs, and other stunning underwater features.

What makes scuba diving in Saint Lucia so awesome is that the island is surrounded by magnificent reefs at locations which appeal to divers of all skill levels. You can opt for boat dives and even night dives which offer diverse experiences. Common dive sightings in Saint Lucia include snapper, grunts, parrotfish, pufferfish, trumpetfish, lobster, golden-spotted eels, stingrays and manta rays, lionfish, flying gurnard, goatfish, damselfish, chromis, wrasse, spotted drums, frogfish, and the list goes on. Depending on where you dive and the time of your session, you may also spot turtles, seahorses, or even barracuda and nurse sharks.
