

Cozumel

January 26 – February 2, 2019

This is by far the most popular trip we run. It generally fills far in advance. So if the thought of world-class diving at an affordable price appeals to you, you will want to act

now, before someone else claims the last remaining spots!

Scuba Club Cozumel is one of the only dedicated dive resorts on the island of Cozumel. You enter through

a Spanish-style arched entrance and step into another world. Tiled courtyards, splashing fountains and blue ocean set the scene for a week of total relaxation and stress-free diving.

Diving in Cozumel is always fantastic. Most all of the boat diving is drift diving in gentle currents along a wall- no need to kick or swim! Just relax and "go with the flow!" Walls are interspersed with channels, caverns, swim-through chutes and tunnels. The marine life is abundant – fish, coral, critters, pelagics and vibrant colors!

This popular trip will fill fast. Don't miss out. Contact Just Add Water today to reserve your spot!
