

Grand Cayman

October 12-19, 2024

The Cayman Islands, a British Crown colony, are inhabited by warm, friendly people who take genuine pleasure in welcoming visitors. They are justifiably proud of both their pirate heritage and some of the most beautiful beaches and reefs in the Caribbean. This area, located just 480 miles south of Miami, has become increasingly popular for scuba divers. You'll thrill to these clear waters, multitudes of fish and impressive, rare black-coral formations along Cayman's vertical walls. With hundreds of dive sites, you'll see something different each time you take a plunge.
